To,
The Human Resource Department,
Kumari Bank Limited,
Kathmandu, Nepal

Respected Sir/Madam,

I am writing to apply for the programmer position advertised your website. As requested, I enclose a completed job application, my resume, and other documents.

The role is very appealing to me, and I believe that my strong technical experience and education make me a highly competitive candidate for this position.

With a Bachelor's degree in Computer Engineering, I have a comprehensive understanding of the full lifecycle for software development projects. Having 10 years of programming experience (with around 3 years at bank), I also have motivation in learning and applying new technologies as appropriate. The CV that is attached with this mail will demonstrate you my strengths and capability.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
Roman Raj Bajracharya
